

Interactive VR Study

From **August 1 till August 15** at DFKI (D3_2).

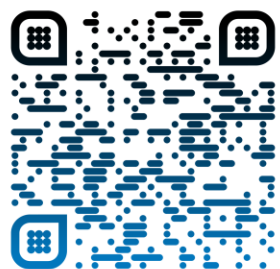

The study takes ca. **60-80min**, and you'll receive **15€**.

We are looking for participants for our virtual reality study

- There's only **one requirement**: you must have corrected to normal vision. This means that you can see normally with glasses or don't need any.
- You will need to wear a VR headset and will be interacting with different objects using the controllers and your gaze.

How to participate?

- Book a date
<https://calendly.com/laszlo-kopacsi-dfki/interactive-vr-study>
- More info at <https://iml.dfki.de/interactive-vr-study/>
